Experience

Campus Ambassador

Corebank Nigeria

Oct 2021 - Present (3 months +)

- Increased brand awareness through event marketing, demonstrations, sales, and brand promotion.
- Conducted consumer surveys and gathered data on purchasing habits for use in branding efforts.
- Acted as the face of the brand at retail events and sampling opportunities at multiple locations.

Code Reviewer

Ustacky

Sep 2021 - Present (4 months +)

Analyze, Review and Mentor Student on their various projects.

Campus Director

Hult Prize Foundation

Jul 2021 - Present (6 months +)

The Hult Prize is one of the world's largest student entrepreneurship programs operating in more than 3000 university campuses in 121+ countries. Called the "Nobel Prize for students" by media outlets worldwide, this is offered in partnership with the United Nations. It is hosted and supported by Hult International Business School, and generously funded by Swedish entrepreneur Bertil Hult and his family.

The HultPrize foundation transforms how young people envision their own possibilities as leaders of change in the world around them. With US\$1,000,000 global startup prize as its anchor activity, the Hult Prize has brought impact-focused programs, events, and training to over a million students globally, creating a pathway for youth everywhere to take action to build a better world.

Campus Ambassador

Cowrywise

Jun 2021 - Present (7 months +)

Cowrywise is a wealth management platform that provides online investment and savings products, amongst other things, to Nigerians, with a level of access in asset management that would otherwise have not been feasible to the average Nigerian.

Freelance Fullstack Developer

Upwork

Apr 2021 - Present (9 months +)

- Collaborated with the engineering team to review application requirements, plan implementation details and estimate delivery timelines.
- Delivered an exceptional level of service to each customer by listening to concerns and answering questions.
- Served customers and followed outlined steps of service.
- Improved operations through consistent hard work and dedication.
- Planned website development, converting mockups into usable web presence with HTML, JavaScript, AJAX, and JSON coding.
- Oversaw back-end development using PHP to maintain website integrity, security, and efficiency.

Fellow - Entrepreneur

Savvy Fellowship

Aug 2020 - Present (1 year 5 months +)

Savvy is a virtual Fellowship program for aspiring and early-stage entrepreneurs. Savvy is 12 weeks of e-learning and assessment. I learned everything from ideation to scaling. At the end of the program, I learned how to:

1. Identify ideal target customers, and build a product or service that exceeds their expectations.
2. Make solutions stand out from competing or substitute solutions in the market.
3. Draft a solid go-to-market strategy, revenue model, and customer acquisition strategy.
4. Optimize business operations, delegate, and build a winning team.
5. Identify the right legal structure for business, raise capital for business, and forge strong strategic partnerships.

Back End Developer

Preneur Pulse

Jun 2021 - Nov 2021 (6 months)

- Created new e-commerce platform APIs with Laravel framework.
- Worked closely with Project Managers and other developers to define parameters and plan detailed specifications with clear project deliverables and timelines to meet strict deadlines.
- Developed back-end components to connect applications with web services.
- Planned and engineered RESTful web services to manipulate dynamic datasets.

Barter Campus Ambassador

Flutterwave

Jan 2021 - Jun 2021 (6 months)

The Barter Campus Ambassador Program is an exclusive community of young, smart, and influential students in leading universities across the world such as Princeton University, University of Cape Town, Ashesi, University of Nairobi, University of Lagos, and Kwame Nkrumah University of Science and Technology, just to name a few.

This program is created to give an opportunity for students to earn money as they refer fellow students to sign up and use Barter for transactions such as sending and receiving money abroad or paying for utilities.

Fellow - Back End Developer

Innovation Growth Hub

Jun 2020 - Dec 2020 (7 months)

- Designed, developed, and tested software applications.
- Cooperated with front-end developers and other team members to design more cohesive and functional code.
- Adapted and understood Agile and Scrum methodologies.
- Pulled from PHP, SQL, JavaScript, and other back-end library knowledge to bolster programming resources.

Mentor- BuildforSDG Cohort 2

Andela

Aug 2020 - Nov 2020 (4 months)

Innovator-BuildforSDG Cohort 1

Andela

Mar 2020 - Sep 2020 (7 months)

The #BuildforSDG program is committed to helping empower you to build real-world, locally and relevant solutions focused on the Sustainable Development Goals(SDGs) while gaining the skills you need to advance your career.

Education

Emurgo Academy India

Blockchain Development

Jun 2021 - Dec 2021

EMURGO Academy is a Global Blockchain Learning Solutions entity of EMURGO Global established in Jan 2019 to focus on incubation, Training and evangelising Blockchain to foster deep fundamental understanding of blockchain technology and thus establish an education program to drive practical usage of blockchain technology around the globe.

Education and Training have always been the most important tools for transformation and empowerment. EMURGO Academy will skill students, developers, industries & institutions to create blockchain experts, drive the adoption of blockchain ecosystem globally and bridge the gap in demand for skilled Blockchain developers.

Ustacky

Associate's degree, Fullstack PHP Development

2021 - 2021

In February 17 2021, I was granted a scholarship for the Fullstack PHP Developer microdegree by Ustacky.

After studying for almost 4months I was opportune to be among the top 100 scholarship students.

Today on 28th August with great excitement I received mail from Ustacky saying

" We are happy to inform you that you are one of the ten winners of the N50,000 Ustacky cash prize for the best performing Microdegree Scholarship students!

Even more delightfully, you are among the top three!"
